Subject: RE: Aldicarb - Update on Comments posted to FDMS

Just a quick update. No further comments were posted to the docket. So this seems to be the scope of what needs to be addressed.

I sent a message to Anthia yesterday asking if we could get the attachments/comments, but I didn't get a response. I'm going to continue to try to get the attachments from FDMS, so that we can see the details of the submissions to work from. However, it may need to be elevated.

Thanks,
Debra
